

Alex da Silva Curiel – Head of International Business

Alex is responsible for international business development at SSTL. He holds a Masters degree in Satellite Engineering, and has previously held roles as communications engineer, Head of Systems Engineering, Head of R&D, and Group Technical Director. Since 1988, Alex has been involved in all of Surrey's 34 small satellites. Alex is a member of the IEE, AIAA, and the IAA. He has published more than 100 conference and journal papers in the areas of satellite communications and small satellite mission design. Alex serves on three international conference technical committees.
