

## **Linus Eriksonas**

Linus Eriksonas holds a doctorate from the University of Aberdeen and a professional management certification from the Open University (UK). Since 2005, Linus Eriksonas has been working as a project manager in various consultancy engagements at UAB Europarama, mainly related to the EU-funded RTD programmes such as FP7. For the last three years, Linus Eriksonas has been an expert evaluator for the Research Executive Agency in Brussels and has contributed to a number of EU-wide public policy consultancy projects for various EC directorates, including DG INFSO, DG REGIO and DG RTD. In 2009-2010, Linus Eriksonas was a team leader for ICT RTD technology audit in Lithuania. Previously, Linus Eriksonas worked as a programme coordinator for the European Science Foundation and as a visiting researcher in Norway, Sweden and the UK.
